See you at Starfleet. 3. Gilday, Head of p Opera// BT #0001 NNN I searched for a permanent post, but I couldn't find anything. This is related to wear for the GWOT premium. The guidance describes Gilday's Christian priorities for service during his term of office. And part of that readiness will continue to maintain high ideals of integrity and service. 2. 2019 Navy Message to the Fleet of the Head of p Adm. 5. Senior Listed Leaders, I hope you anchor and show your Sailors what looks right in the conv @s-signs, day by day. I hope that the Commanders of all Unites summarize integrity and exemplify our core values at all times. These ideals are central to who we are. That's differentiating us as a combat thing. Leaders, I'm counting on you. That means being ready in both our personal and our professional lives. Reflecting on my first three months as Head of Opera ptes, I want every Sailor to think about who we are as a Navy and the constitutional oath to which we pledge ourselves. We must be honored. We must be above any reproach. I am counting on each of you to give a strong personal example of responsible behavior, both in and out of service. Incorporation To be clear, we must be honest men and women. While there is much work to be done, the tenacity and ingenuity of our Sailors will take us where we need to go and do it in a Flank Bell. 8. Then some people at my command have asked what are the exact requirements for wear of GWOT and no one can answer (1st Class or Chief); the instruction says that there is a medal of service, so does this mean that it is not simple how to make time and put it in? Mike Gilday. The following Is a Dec. We must be protective and exemplify our values. You should not gather all your energies to ensure that we are ready to Today, not tomorrow, not in a distant future, but today. It is the basis of our profession. 9. 7. Or is your invoved paperwork to have Reflect on your record? Thanks in advance, you are a last resort. Page 2 Photosted BYU / [Excluded] 8 years14 comments and we must not give any cause to question our core values. It is not overstatement to say that naval service requires deeper and broader knowledge than before. That oath is what unites us. \*\*\*\*\* R 022236Z December 19 Mid510000756726 FM CNO Washington DC to Navadmin Info CNO Washington DC BT Destas Navadmin 273/19 msgstr / NAVADMIN / CNO WASHINGTON DC / CNO / Dec / Message Subj / CNO for strength // rmks / 1. 10.
